# Action plan for analysis of companies' training offer

#### **ACTION PLAN FOR ANALYSIS OF COMPANIES' TRAINING OFFER**

# Questionnaire on training offered by companies and knowledge required

This questionnaire is designed to identify size and range of educational offer provided by manufacturing companies of different sizes.

The aim of this survey is to identify good practices in use within the companies involved in the IE&M field, with particular attention to Industry 4.0-related topics. The general aim of the project IE3 is to design, test and disseminate a new model of Higher Education IE&M to increase the average quality of 2nd level academic curricula. The data collected will be used for project purposes only.
