WP8.- Project Evaluation

T8.3 External evaluation by experts ↔ R8.2

Work done: M12 assessment We need to repeat the exercise for the last version of the BoK.

External Handbook assessment

We can do the same exercise than for M12 or we can use AIM for disseminate the BoK and ask to fill the semi-structured survey. Decision? If no updates, the proposal is to keep the M12 assessment

We must decide how to assess the master proposal. The required procedure is to select three experts and then to use a semi-structured interview and to prepare the assessment report.
